**Subject: Because Jesus Lives We Shall Live Also:**

Prior to Jesus departing from His disciples, He promised them that He would not leave them comfortless. Jesus told them that He had prayed to the Father to send them another Comforter which would be the Holy Ghost. Today the Holy Ghost is a Comforter to everybody who has received Jesus' gospel. What Jesus promises to one person, He promises to all. God gave Jesus all power from heaven to the earth to fulfil every promise in His gospel. Though some people who are saved may die before Jesus returns to administer the first resurrection, His promises have power to secure their faith.

The other Comforter, which is the Holy Spirit will not allow the terror from the devil to make them afraid. So Jesus has admonished those who believe in Him to let not their hearts be troubled, and that the Holy Spirit will give them comfort and faith no matter what comes upon the world; they will have faith and peace.

Even though some may go through the valley and shadow of death, He will be with them by means of the other Comforter. It will be because Jesus lives that they will live. Listen to St. John 14:19-20.

Verse 19 - *Yet a little while, and the world seeth me no more;  
but ye see me: because I live, ye shall live also.*

Verse 20 - *At that day ye shall know that I am in my Father,  
and ye in me, and I in you.*

**Subject: A New Mission Of The Holy Spirit:**

It is the nature of man to do what he is told not to do. When a child is told by the mother to not do that which it desires to do, it will get angry. The human nature is rebellious against instructions that are contrary to its desires.

The commandment of God teaches that thou should not commit adultery. That commandment is broken on a regular basis, because it is against what many people desire to do. God seeing the problem in the human nature commissioned

the Holy Spirit to do a new work on the human nature to make it easier for humans to obey the word of God.

The Holy Spirit does a washing of regeneration to the human nature giving it a new nature that is compatible with the commandment of God making it easier for humans to obey God. This process is made available when a person has been born again by the Holy Spirit, and acquires the divine nature of God.

### **Subject: Your Soul:**

Your soul is your life. It is your mind. Your soul is the eternal part of your existence, whereas your body of flesh and blood is temporary, and will eventually go back to the earth. Your body originated from the earth, but your soul was a gift from God. Your soul will one day have to separate from your body. When this happens, your body will be dead. God gave you your soul so that you could enjoy life. Your soul is very valuable because it is the control center for your emotions and actions of your body.

When God saves you, He gives you the Holy Spirit, which will empower your soul to give orders to your body members not to sin. When your soul is saved, you will be renewed in the Spirit of your mind. This means your mind will have a new way of thinking that will be above your previous desires to commit sin. When you have acquired this mind, it means that you are born again, and your soul or mind will have a permanent unity with God established by the Spirit of God.

### **Subject: You Must Be Prepared By God To Receive The Holy Ghost:**

Those who desire to be saved need to know about the Holy Ghost. In order for a group of worshipers of the teachings of Jesus Christ to become recipients of the Holy Ghost, God must ordain and commission the Holy Ghost to be sent to such worshipers. This will require a Holy Ghost filled preacher to be sent by God to minister to the worshipers. The minister must be ordained and sent by God, as well as the people being ordained and prepared by God to receive the Holy Ghost. Such worshipers are people prepared by God. Listen to St. Luke 1:17:

Verse 17 - And he shall go before him in the spirit and power of Elias, to turn the hearts of the fathers to the children, and the disobedient to the wisdom of the just; to make ready a people prepared for the Lord.

John the Baptist was filled with the Holy Ghost from his mother's womb, and was prepared by the Holy Ghost to make ready a people prepared by God to receive the Holy Ghost. Under these conditions, the church worshipers will be filled with the Holy Ghost. The worshipers will then dispel the darkness of sin from among them, and will perform its functions and mission ordered by God.

God does not fill the worshipers with the Holy Ghost just to enjoy salvation in their personal lives and worship services, but they will have a mission to be a light for the world to come to Christ. The early church, after being established by the outpouring of the Holy Ghost on the day of Pentecost, was aflame in the world, and convicted the world of sin, of righteousness and of judgment. There was never any doubt as to the mission of the Holy Ghost. The Holy Ghost kept the leaders zealously proclaiming the gospel that the world might know that the righteousness of Christ exalts a nation, but sin is a reproach to any people. The hearts of the people were reached, and they came to God by the thousands.

When the truth is preached today, and the true mission of the Holy Ghost is made known, thousands will come to God. Such people will want God, and will yield to the influence of the Holy Ghost when it is preached to them by a Holy Ghost filled preacher. The devil has prevented people today from hearing the true gospel by a Holy Ghost filled preacher. This has been done by the devil using so many false preachers who are giving false religious teachings to the people, causing them not to desire the true teaching of salvation.

Many today have not so much as heard that there is a Holy Ghost, because they have only received the preaching of false preachers. A person can only believe and receive the Holy Ghost after that they have heard the gospel presented by the Holy Ghost. People have failed to be indoctrinated about the importance of being filled with the Holy Ghost. This results to their enthusiasm for being saved and filled with the Holy Ghost being limited. This leaves them with no desire to further seek a filling of the Holy Ghost.

The Holy Ghost is the complete work of grace, and is more than a match for the devil. The Holy Ghost administers faith that justifies, and gives power to sanctify, and that is the complete work of grace.
